

September 1, 2021

Dear Students and Parents,

Welcome to the 2021-2022 school year! You have made an excellent choice to participate in the choral program. The level of success and benefit of your participation is dependent on the level of interest and support of both students and parents. I am committed to a balanced, high-quality musical experience for all participants. The standard of excellence has been set very high and I expect that the rewards for striving for that excellence will heighten your experience.

In an effort to aid students with organization and keep parents informed of the expectations and requirements of their son or daughter's participation, I have published the SIS Choir Handbook. This resource can be found upon clicking on the SIS Choirs tab on the Shorewood Choirs web site at...

<http://shorewoodchoirs.weebly.com/>

This document has been designed to answer most, if not all, of your questions regarding the choir. A calendar of events for the school year will be updated regularly on the choir web site. If I can be of assistance in clarifying items in the handbook, or if you have other questions, please feel free to contact me.

After looking over your handbook, please sign the lower portion of this letter and return it to me by Friday, September 3rd. If you would like a hard copy for home let me know.

Jason A. Clark  
*Director of Choirs*

CC: Mike Joynt

I have read the SIS CHOIR HANDBOOK outlining student requirements and responsibilities and have read the calendar of events notifying me of required choir activities.
